

MONRO ADVENTURE

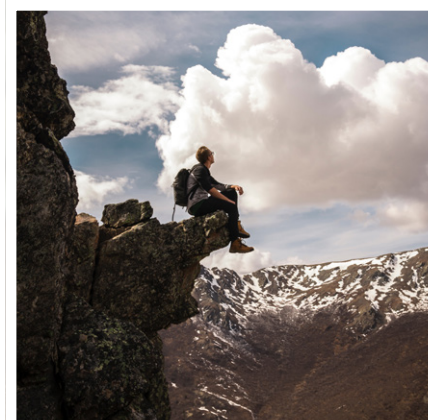

BRITISH DESIGNED TIMEPIECES FOR THE INTREPID

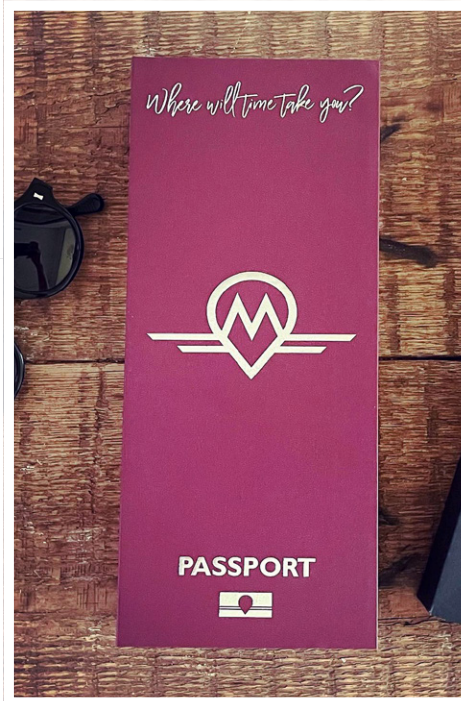

OFFICIAL
PRESS DECK
2024

Where will time take you?

MONRO ADVENTURE is a multi-functional, automatic GMT watch that allows you to tell the time in 24 destinations around the world, go diving to 100m and change between its two straps straight out of the box. Each piece is a limited edition of only 500 and individually numbered. Shipping begins in February 2024.

**“Next level
attention to detail”**

“Ones to watch in 2023”

Retail Jeweller

“One of the best world timers we’ve seen at this pricepoint”

WATCHSHOP

“The best automatic travel watch we’ve seen in years!”

WATCHNATION

TIME FOR THE PEOPLE

**“If you’re a watch aficionado with an eye for detail, MONRO
ADVENTURE is about to become your new obsession.”**

H.S. JOHNSON
WATCHMAKER & JEWELLER EST.1946

MONRO ADVENTURE

Enjoying a brilliant debut crowdfunding campaign, raising nearly £60,000 of investment, MONRO ADVENTURE is now in production and on schedule for February 2024 delivery.

KICKSTARTER

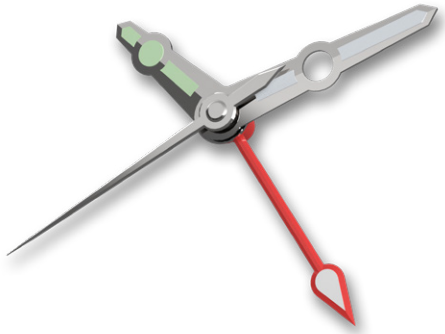

With our second and third collections in prototype stages, we are looking forward to growing the range with some very exciting additions later this year and are proud to have been welcomed to the Alliance of British Watchmakers.
